Civics Test

This test is usually given in 9th or 10th grade. If your student hasn't taken the test they will need to in order to graduate. Please follow the instructions below to take the Civics test.

1. Log onto passport.
2. On the left hand side there is a tab that says Civics Test. Click on it.
3. The test is open notes, books, friends, etc. It will let you know at the end if you passed. If you don't, you can take it until you pass.
